

FOREST AFTERNOON TEA

£17.95 per person, 2pm–5pm daily

Afternoon Tea is always a treat, but here at Forest we have decided to create something a little different & very special! Did you know that our hotel, Galtres Lodge is named after the Royal Forest of Galtres? Established by the Norman kings of England the forest once extended to the city walls & comprised of 60 villages in 100,000 acres. During the second quarter of the 17th century, Galtres was subject to disafforestation as a result of the Crown's desperate need for ready money, & the forest eventually disappeared. We have taken inspiration from our history & named our restaurant Forest, and also created a "Forest Afternoon Tea" – the most exciting Afternoon Tea in York (if not beyond!)
